

The Geneva Preschool is one of only 3 preschools in the Greater Johnstown Area to meet the rigorous licensing criteria set by the PA Department of Education in order to become a Private Academic Preschool. We provide a high-quality developmentally-appropriate preschool program for children ages 3-5.

Unlike most preschools that are staffed by one teacher and an aide, we are staffed by two PA certified preschool teachers, with the education and expertise to promote Kindergarten and grade school success.

Additionally, our director, Erin Dunlap, has a Bachelor's Degree in Elementary Education, and our assistant teacher, Kristen Kane, has a Master's Degree in Music Therapy. They have also been trained in first aid and CPR.

Children Learn What They Live

- If children live with criticism,
They learn to condemn.
- If children live with hostility,
They learn to fight.
- If children live with ridicule,
They learn to be shy.
- If children live with shame,
They learn to feel guilty.
- If children live with encouragement,
They learn confidence.
- If children live with tolerance,
They learn to be patient.
- If children live with praise,
They learn to appreciate.
- If children live with acceptance,
They learn to love.
- If children live with approval,
They learn to like themselves.
- If children live with honesty,
They learn truthfulness.
- If children live with security,
They learn to have faith in themselves and others.
- If children live with friendliness,
They learn the world is a nice place to live.

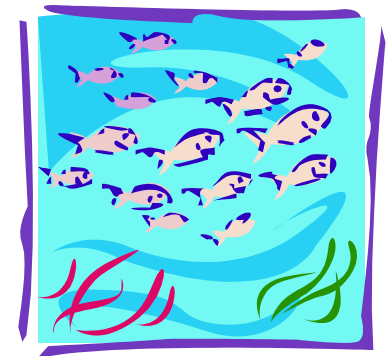

~Dorothy Law Nolte, Ph.D.

Private Academic Preschool

Enter a sea of knowledge!

***Register by May 1
and get 1/2 off the registration fee**

All are invited to our Open House
on Monday, March 5, from 6-8!

Find us on Facebook!

We trust that what you find here will meet your every expectation for an exemplary preschool experience.

Our goals:

- To respect each child's own unique personality.
- To foster curiosity, language and problem-solving skills, and perceptual acuity.
- To encourage each child to express his/her feelings in a safe and loving environment.
- To involve our students in daily activities which allow them to gain experience in social, emotional, and cognitive skills, physical endurance and the establishment of a foundation for strong spiritual growth and Christian values.
- To place a strong emphasis on the family-school relationship. We encourage your input!

Our educational program includes time for free play, conversation, saying grace at snack time, music, song, games & movement, story time, art & creative activities, field trips, outside play, recognizing religious holidays, computer-enhanced learning opportunities, and monthly parties.

Small class size is important to us!
Our student-teacher ratio
will never exceed 13:2.

Our three-year-old program

is designed for children involved in their first time school experience. A giant, but gentle step between home and school, this program focuses on social skills, active listening, and learning through play. It also provides an introduction to academics, including letters, colors, shapes, and numbers.

Schedule:

9:00-11:15 Monday through Wednesday

Tuition:

\$810/year (\$90 monthly for 9 months)

Children must be three years old by October in order to enter our three-year-old program. All children must be completely potty trained, although they may wear pull-ups to school.

Our four-year-old program

builds upon the skills learned as a three-year-old and emphasizes pre-reading, math, and writing skills. We prepare your child for the next big step in his or her life: the transition to Kindergarten.

Schedule:

12:00-3:00 Monday through Thursday

Tuition:

\$990/year (\$110 monthly for 9 months)

For both programs:

Classroom activities are designed to provide growth for your child's physical, emotional, social, spiritual and intellectual needs and development. Daily routines always include both group and independent learning experiences. We challenge our children to think, experiment, reason, and remember. As our students discover more about themselves and their environment, it is our hope that they learn to love their school, their teachers, and their classmates.

Registration for our next school year is accepted at any time; however, enrollment is limited. You may want to secure a spot for your child by registering them for the 2012-2013 school year as soon as possible. While we do have a non-refundable registration fee of \$50, a discount of \$25 is applied if the registration is received by May 1.

The Geneva Preschool welcomes children of any race, color, nationality, and ethnic origin. We consider it an honor to teach your child!
