February 2026

Dear Friends,

February is upon us, bringing with it a few pretty significant occasions. On February 2, tens of thousands of hearty souls will gather in the woods outside of Punxsutawney before the crack of dawn to hear of the meteorological prognostications of a groundhog named Phil (an early spring sounds good to me!). On the 14th florists will be busy filling orders designed to put smiles on faces for Valentines Day (did you know that more wedding proposals take place on Valentines Day than just about any other day?). And then, less than a week later, Ash Wednesday appears on the church calendar, marking the start of the season of Lent.

"Lent" is not a biblical word, nor do we read about its observance in Scripture. According to Professor Donald Macleod the word "lent" comes from the old English term "lencten" which refers to the lengthening of days during the springtime. Traditionally Lent is a season of 40 days (excluding Sundays) preceding Easter. The early Church created Lent as a time of reflection, penitence, and fasting in order for Christians to properly prepare themselves for the events of Good Friday (the Crucifixion of Jesus) and Easter (His Resurrection). Sacrifice is also a part of Lent and, over the years Christians have "given up" various food items or activities for the duration of the season.

I would strongly encourage you to observe the Lenten season. This 40-day period holds the potential for spiritual growth and development, not only for us individually, but collectively as a church. If you are of the habit of giving up things for Lent, then by all means do it. However, I believe growth can and will occur more through addition rather than subtraction. If you are not in the habit of intentionally taking time each day to read Scripture and pray, you might try this discipline during Lent. You might read a Psalm (start with ones you know like Psalm 23 or 100) and a chapter of a Gospel (such as the Gospel of John) each day. If you are not in the habit of joining with others in worship, please make it a priority, and take advantage of special worship opportunities throughout the season such as Ash Wednesday, Maundy Thursday, and Good Friday. And, if it's been a while since you have helped others in need, please seek out ways to do this. All of these "additions" can help us grow closer to our God and Lord and prepare us for the thrill of celebrating the life given to us through the Rising of Jesus from the dead.

If I can be of help to you in your Lenten observance or anything else, please don't hesitate to let me know.

May our Lent together be meaningful and spiritually renewing.

In Christ,

Ken

Deacons' Corner

It is with great gratitude to you, our church, for the success of the deacons' Christmas Program. Aldi gift cards were gifted to 19 families. St. Vincent dePaul helped provide clothing to ten families who took advantage of our vouchers. Gifts were showered upon 74 children. Thank you all for participating and making this program possible.

The deacons are looking forward to serving our church and community this year. We are hosting a blood drive in Fellowship Hall on Thursday, February 5 from 12 to 5 p.m. You may register at RedCrossBlood.org/RapidPass or by calling 1-800-REDCROSS (1-800-733-2767). Donations of homemade cookies to offer donors would be very much appreciated and may be left in the kitchen by Thursday at 12:00 with a note indicating they are for the blood drive.

In celebration of Valentine's Day, the deacons will deliver balloons and prayer squares to our Home Touch Ministries members. Cookies and prayer squares will be delivered to 65 emergency responders.

We appreciate your support, your ideas, and your prayers,

Stewardship

Per Capita

Westmont Presbyterian Church is part of the Presbyterian Church (USA), the Synod of the Trinity, and the Presbytery of Redstone.

Each year, our church is asked to contribute a per-member amount that supports the work of these church bodies. For 2026, the per-member amount is 55 dollars. This means Westmont Presbyterian Church has pledged 16,000 dollars to the Presbytery.

We invite each member to consider a gift, in addition to regular giving, to help cover this amount. Doing so allows our church to use more of its funds for ministries and programs.

You can give through the Per Capita envelope in your packet or mark your donation "Per Capita."

Finance Committee

As we embark on our second 100 years, let's look back at how we receive our donations. In the early 20th century, if Friday was payday, you went to the pay window and were handed an envelope with cash and coins. After work, you would go to the bank to pay your mortgage payment, then to the "buy here, pay here" dealer to make your jalopy payment, then to the water company to pay the water bill, and to the electric company to pay the electric bill. Then on Saturday, you would go grocery shopping with whatever money was left to buy groceries for the week, but leave enough out to put in the plate at church to honor your pledge (and a few dollars for the local watering hole).

Fifty years ago, things were a bit easier. You received a paycheck, which you would take to the bank to deposit (keeping out enough cash for gas and your church pledge), stopping by the post office on your way home to buy stamps. Then, that evening, you would sit down in front of your drop-top desk to write out checks, address the envelopes, put a stamp on each one, and mail them the next day.

At the turn of the 21st century, it got even easier. Your employer electronically deposited the check into your account, and you signed on to your computer and paid most of your bills, except the ones for which you still needed to write out a check, like the church and the grocery store. (If you still write checks at the grocery store, turn around and glance at the puzzled look on the faces of the people in line behind you).

Nowadays, with automatic payments, you wake up on payday, your check is deposited, and all your bills are paid as you sleep. If you still write checks to the church, consider signing up for automatic payments. It's been said that giving is part of Worship, so if it is your preference to place an envelope in the offering plate on Sunday, don't let that dissuade you from helping out our Assistant Treasurers. Just sign up to have your general giving pledge made automatically, then throw a few dollars in a Deacon's or Mission envelope on Sunday.

Contributions can be set up for any frequency and modified or suspended at any time. You will have your own personal record of your donations. Funds can be withdrawn from a checking account, savings account, or charged to a credit card (cash back?). Just click "Donate Now" on our website to set up your account or call the office for assistance.

LOVE

Jesus taught that loving one another is second only in importance to loving God (Matthew 22:37-40), and that when we love one another, God lives in us (1 John 4:12). There are so many ways to do that beyond candy, hearts, and roses. But Valentine's Day is a good reminder.

Dr. Bailey was born in Bloomington Illinois. He spent 40 years (1955-1995) teaching in Egypt, Lebanon, Israel and Cyprus. He had a degree in Arabic and literature, systematic theology and wrote his dissertation on the field of the New Testament.

For any kids in elementary and middle school, Bri Lohr will be simultaneously teaching a series in the nursery. The lessons will be about 30 minutes and will start when the video does.

**LOOKING BEYOND OUR WHITE SNOWCOVER,
SPRING IS JUST AROUND THE CORNER!**

**WELCOMING OUR 18TH ANNUAL
WESTMONT COMMUNITY FARMERS' MARKET !**

Mark your calendars!!! Back by popular demand, the Farmers Market will open in May 2026,; start date to be determined. The market is held on Saturdays from 9AM to 12N through October in our church parking lot.

Local farmers share their produce with the local community. We anticipate seeing many of our fabulous vendors return again this season to sell their vegetables, fruits, flowers and other goodies.

A great deal of effort goes into organizing and running the market; the Farmers' Market Committee is always looking for volunteers for community outreach to share this experience with our neighbors. Volunteers are needed to set up and tear down the market each week (no heavy lifting), dog sitters, coffee and tea makers and folks to assist the vendors. We invite the congregation to support our vendors and to simply be there to mingle and say "howdy" to our neighbors.

The purpose of the market is to show God's love by simply being present and getting to know who lives around us. It's almost like the old block parties many of us enjoyed years ago. Many congregation members were regular visitors at last year's market; this year, we encourage the entire congregation to support our effort. Bring a friend and "spread the word!" Buy some goodies and maybe some for your neighbors who are unable to attend the market themselves.

We are in the process of setting up an organizational meeting for 2026, so if you'd like to be a part of this process, keep an eye on the bulletin for updates, or refer to the contact numbers listed below.

Interested in volunteering? Have any innovative ideas? Please contact:
